

Inspired by Shakespeare and Tudor dishes

Anne Hathaway's Cottage is a thatched farmhouse containing many original items of family furniture, with a very pretty garden. The house inspires Tudor and Victorian dishes in our cafe, recipes of which are taken from the Victorian recipe book in our archives collection, and the chef puts his own twist to some of these dishes.

We use our own organic rare breeds all produced at Mary Arden's Farm. The Berkshires, Oxford and Sandy & Black are Tudor breeds of pork; the Portland, Cotswold and Norfolk Horns make up our organic lamb; the Longhorns, Gloucester and Hereford our organic beef. We also aim to use as much free range and organic produce as possible.

Fruit from the orchard at the farm and herbs grown here in the garden are used, where possible, to enhance your chosen dish of the day.

We hope you enjoy your freshly prepared food.

Our seasonal Tudor and Victorian inspired specials boards will reveal all...

All our dishes are prepared from scratch here on site, at busy times there may be a slight delay, if you are in a hurry please tell us when you order.

Thank you for visiting today. Every purchase you make helps us to care for Shakespeare's historic family homes and share his timeless stories with the world. Thank you for your support.
