

Inspired by Shakespeare and Tudor dishes

You can watch how food was prepared and cooked in Tudor times over in the farmhouse, and learn about table manners when the Tudor's gathered to eat.

Here in the cafe choose a dish from the Seasonal and Tudor specials board, all inspired by the dishes prepared in the farmhouse, and with products produced here at the farm.

We use our own organic rare breeds all produced here at Mary Arden's Farm. The Berkshires, Oxford and Sandy & Black are Tudor breeds of pork; the Portland, Cotswold and Norfolk Horns make up our organic lamb; the Longhorns, Gloucester and Hereford our organic beef. We also aim to use as much free range and organic produce as possible.

Fruit from the orchard and herbs grown here in the garden are used, where possible, to enhance your chosen dish of the day.

We hope you enjoy your freshly prepared food.

Our seasonal Tudor and Shakespeare inspired specials boards will reveal all...

All our dishes are prepared from scratch here on site, at busy times there may be a slight delay, if you are in a hurry please tell us when you order.

Thank you for visiting today. Every purchase you make helps us to care for Shakespeare's historic family homes and share his timeless stories with the world. Thank you for your support.
