### Our menu

Choose a dish from the Seasonal and Tudor specials board, all inspired by the dishes prepared in the farmhouse, and with produce from the farm.

We aim to use as much free range and organic produce as possible, including our own organic rare breeds all reared here at Mary Arden's Farm.

Fruit from the orchard and herbs grown here in the garden are used, where possible, to enhance your chosen dish of the day.

We hope you enjoy your freshly prepared food.

We are proud to hold a Gold Food for Life Served Here award which recognises our commitment to serving good quality, delicious food that has been ethically and locally sourced.

For allergen or dietary requirements please ask a member of the catering team before ordering. Our kitchens are not free from allergen ingredients but we work in allocated areas where possible.
