

## Inspired by Shakespeare and Tudor dishes

Anne Hathaway's Cottage is a thatched farmhouse containing many original items of family furniture, with a very pretty garden. The house inspires Tudor and Victorian dishes in our cafe, recipes of which are taken from the Victorian recipe book in our archives collection, and the chef puts his own twist to some of these dishes.

We use our own organic rare breeds all produced at Mary Arden's Farm. The Berkshires, Oxford and Sandy & Black are Tudor breeds of pork; the Portland, Cotswold and Norfolk Horns make up our organic lamb; the Longhorns, Gloucester and Hereford our organic beef. We also aim to use as much free range and organic produce as possible.

Fruit from the orchard at the farm and herbs grown here in the garden are used, where possible, to enhance your chosen dish of the day.

We hope you enjoy your freshly prepared food.
