Inspired by Shakespeare and Tudor dishes

Relax in the beautiful gardens and breathe in the fragrant herbs as used by Dr Hall in his remedies.

Enjoy lunch in our cafe and taste dishes inspired by these herbs, knowing the family may have had something similar, or try a dish inspired from the our Tudor recipe book which is sold here.

We use our own organic rare breeds all produced at Mary Arden's Farm. The Berkshires, Oxford and Sandy & Black are Tudor breeds of pork; the Portland, Cotswold and Norfolk Horns make up our organic lamb; the Longhorns, Gloucester and Hereford our organic beef. We also aim to use as much free range and organic produce as possible.

Fruit from the orchard at the farm and herbs grown here in the garden are used, where possible, to enhance your chosen dish of the day.

We hope you enjoy your freshly prepared food.

Our seasonal Tudor and Shakespeare inspired specials boards will reveal all...

All our dishes are prepared from scratch here on site, at busy times there may be a slight delay, if you are in a hurry please tell us when you order.

Thank you for visiting today. Every penny you donate and every purchase you make in our shops and cafes helps us give more people the opportunity to explore and enjoy Shakespeare.
